

# Special Collaboration Week

and *J-Methods Farming*

## Fresh-picked Vegetables Sales Stand / Limited Edition Menu

### ◆ What is *J-Methods Farming* ?

J-Methods Farming (JMF) is a demonstration project of Ministry of Agriculture, Forestry and Fisheries of Japan (MAFF) and Self-Employed Women's Association (SEWA) in Gujarat, India. Purpose of the project is to conduct "Japanese methods" agriculture in India using Japanese agricultural materials and demonstrate its methods and characteristics to Indian farmers.

### ◆ Collaboration with **BENTO B**

The time has now come to harvest of Japanese quality Cauliflower and Cherry tomatoes in JMF farmland! In partnership with Bento B, the most popular and finest Japanese restaurant in Ahmedabad, we sale fresh vegetables directly from our farm and serve the special limited edition menu cooked by Bento B's skilled chef using these vegetables.
